

RETURNING HOME AFTER A FLOOD CHECKLIST

- Return home only when the emergency services give the go ahead
- If there is water damage do not turn on your electricity until an electrician has inspected your property
- Document the damage - take pictures or videos as evidence for your claim
- Make a list of damaged items such as brand, model and serial number if possible
- Wear appropriate clothing when removing wet items such as furniture, mats, floorcovering
- Store damaged or destroyed items somewhere safe and avoid anything that poses a health risk
- Have experts inspect things like electricity, sewage and water supplies
- Contact DSH Insurance to lodge a claim or before you authorise any building work
- Cut a sample of the carpet and curtains before disposing
